Public Notice

September 23, 2011

NOTE REVISED MEETING DATE

Proposed San Francisco Bay Plan Amendment

Hearing Concerning Possible *San Francisco Bay Plan* Amendment No. 2-11 Concerning a Change to the Port Priority Use Area Designation at Hunters Point in San Francisco

Notice is hereby given that the San Francisco Bay Conservation and Development Commission will consider an amendment to the *San Francisco Bay Plan*. The proposed amendment would remove the port priority use area designation from the Hunters Point Naval Shipyard in San Francisco.

A Public Hearing on the possible amendment is scheduled to be held November 3, 2011 at the Ferry Building, in San Francisco, California, starting at 1:00 P.M. At least thirty days prior to the initial meeting, the staff will prepare and mail a staff report and preliminary recommendation on the proposed amendment. Interested persons may request the staff report and present written comments on or before November 3, 2011. Oral comments may be presented at the November 3, 2011 Commission meeting or thereafter as directed by the Commission.

This **Notice** is prepared in conformance with Section 66652 of the California Government Code, Section 11001 of Title 14, Division 5 of the California Code of Regulations, and Section 312 of the federal Coastal Zone Management Act of 1980. If, after the hearing, the Commission adopts an amendment to the *San Francisco Bay Plan* described in this notice and subsequent staff report, such amendment will be processed as a routine program change of the Commission's federally-approved coastal management program for San Francisco Bay. Any federal agency interested should therefore comment to the Commission on or before November 3, 2011. Any written comment received subsequent to the close of the public hearing and public comment period will be distributed to the Commission; however, the staff will not provide a response to the comment in its staff recommendation, but will advise the Commission whether it believes the comment raises a new, substantial issue. If the Commission determines that the comment raises a new, substantial issue, the Commission may reopen the public hearing, and the staff would prepare and distribute a new planning report.

Whether the Bay Plan should be amended as described above, and in what manner, will be the subject of the public hearing and Commission deliberation.

Further information concerning the proposed amendment can be obtained by contacting Ms. Linda Scourtis at the Commission's office, 50 California Street, Suite 2600, San Francisco, California 94111, telephone (415) 352-3644, e-mail lindas@bcdc.ca.gov.
