

SAN FRANCISCO BAY CONSERVATION AND DEVELOPMENT COMMISSION

50 California Street • Suite 2600 • San Francisco, California 94111 • (415) 352-3600 • Fax: (415) 352-3606 • www.bcdc.ca.gov

April 18, 2008

TO: Commissioners and Alternates

FROM: Will Travis, Executive Director (415/352-3653, travis@bcdc.ca.gov)
Bob Batha, Chief of Permits (415/352-3612, bobb@bcdc.ca.gov)

SUBJECT: **Listing of Pending Administrative Matters**
(For Commission consideration on May 1, 2008)

This report lists the administrative permit applications, federal consistency actions, marsh development permits in the Secondary Management Area of the Suisun Marsh, nationwide permit actions, minor amendments to the Suisun Marsh Local Protection Program, and emergency permits that are pending with the Commission. The staff members to whom the matters have been assigned are indicated at the end of the projects' description. Inquiries should be directed to the assigned staff member prior to the Commission meeting.

Administrative Permits and Federal Consistency Actions

The following administrative permit applications have been filed and are presently pending with the Commission. The Executive Director will take the action indicated on the matters unless the Commission determines that it is necessary to hold a public hearing.

Applicant: United States Department of the Army,
Military Ocean Terminal Concord (MOTCO) and
United States Army Corps of Engineers, Sacramento District
Port Chicago Naval Magazine National Monument
MOTCO, Detachment Concord
Inter-tidal area along White Road
Concord, California 94520

BCDC Consistency Determination No. CN 3-08

Filed: 4/9/08

60th Day: 6/7/08

Location: In the Bay, at the Concord Naval Weapons Station's MOTCO Terminal, on the south shore of Suisun Bay, directly south of Roe Island, in the City of Concord, Contra Costa County.

Description: Protect the shoreline from erosion by removing existing debris and installing approximately 952 cubic yards of gravel filler, riprap, and stone revetment along

Making San Francisco Bay Better

300 linear feet of shoreline. This project would not provide any new public access and would result in approximately 8,712 square feet (0.2 acres) of fill in the Bay.

Tentative Staff Position: Recommend Approval. (Kerri Davis) [415/352-3617 or kerrid@bcdc.ca.gov]

Applicant: California Department of Transportation
111 Grand Avenue
P.O. Box 23660
Oakland, California 94623-0660

BCDC Permit Application No. M08-05

Filed: 4/14/08

90th Day: 7/13/08

Location: In the primary and secondary management areas of the Suisun Marsh, along 5.7 miles of State Route 12 between a point 0.68 miles east of Walters Road (post mile [PM] 7.9) to the Lambie/Shiloh intersection (PM 13.6), east of Suisun City, in an unincorporated area of Solano County.

Description: As part of a program to improve safety on Highway 12 by widening shoulders and improving intersections, conduct the following work:

1. **In the Primary Management Area:**

- a. Replace, repair and maintain the existing metal beam guardrail at the Union Creek and Denverton Creek Bridges; and
- b. Repave the existing roadbed surface.

2. **In the Secondary Management Area:**

- a. Widen, use and maintain the northeast and northwest shoulders at the Branscombe Road intersection by eight to 21 feet and relocate and reconstruct roadside drainage ditches along the widened roadbed;
- b. Widen, use and maintain the northwest, southwest, and southeast shoulders of the Denverton Road intersection by eight to 12 feet, replace the headwall at the northwest corner, and reconstruct the roadside drainage ditch at the northwest corner;
- c. Widen, use and maintain the shoulders on SR21 west of the Lambie-Shiloh intersection by eight feet and construct eight-foot-wide bioswales four feet beyond the widened shoulders, such that the finished footprint would be 20 feet wider on each side, and use this widened area as a temporary staging area during construction;
- d. Widen, use and maintain the shoulders at the Lambie-Shiloh intersection by 8 to 75 feet;
- e. Repave the existing roadbed surface; and
- f. In-kind repair and maintenance of the improvements authorized above.

The project will result in 27,443 square feet (0.63 acres) of fill in upland grasslands, 435 square feet (0.01 acres) of fill in drainage ditches, and 87 square feet (0.002 acres) of fill in seasonal pools. The project impacts will

be mitigated by habitat creation and/or enhancement within the primary management area of the Suisun Marsh.

Tentative Staff Position: Recommend Approval. (Erin Bomkamp) [415/352-3619 or erinb@bcdc.ca.gov]

Permits in the Secondary Management Area of the Suisun Marsh

Solano County has not issued any marsh development permits since the last listing.

Minor Amendments to Suisun Marsh Local Protection Program

The Commission has not received any amendments to the Suisun Marsh Local Protection Program for certification since the last listing.

Regionwide Permits

The Executive Director has not issued any regionwide permits since the last listing.

Emergency Permits

The Executive Director has not issued any emergency permits since the last listing.
