SUBJECT: Report of Permit Applications and Federal Consistency Actions, Including Amendment Requests, Recently Received
(For Commission Information Only)

This report lists the applications and federal consistency determinations, including amendment requests, which have been received by the Commission between April 1, 2011 and April 15, 2011. This listing is provided to allow members of the public who have an interest in a particular area or project to have the earliest possible opportunity to become involved in the Commission's review and analysis of the project. Inquiries should be directed to the staff member assigned to the project.

BCDC Permit Applications, Amendments and Consistency Determinations Received for Processing

Application Number	Applicant	Location	Project Summary	Staff Contact
Application for Amendment No. 9 to Permit No. M89-75	Port of Oakland	Within the shoreline band, at the Port of Oakland (Berths 22-26, 30, 32, 33, 35, 37, 55, 59, 60, 63, 67, and 68), in the City of Oakland, Alameda County.	Install shoreline power facilities.	Michelle Burt Levenson
Application for Amendment No. 1 to Permit No. 12-00	Department of Transportation, Caltrans District 4	In a certain waterway, adjacent to the southern embankment at the Sacramento Street overcrossing at State Route 37 and at Marine World Parkway, between Enterprise Street and State Route 29 (Sonoma Boulevard), in the City of Vallejo, Solano County.	Revise public access condition to reflect transfer of public pathway maintenance responsibility from Caltrans to the City of Vallejo. The original permit authorized the widening of State Route 37 Highway across White Slough.	Ande Bennett
