# WATERFRONT TRANSFORMATION

**\$1.6 billion** in public and private investment

**63 acres** of waterfront open space

**19 historic resources** rehabilitated

**7 derelict piers and wharves**

removed from the Bay

**AT&T Ballpark** constructed

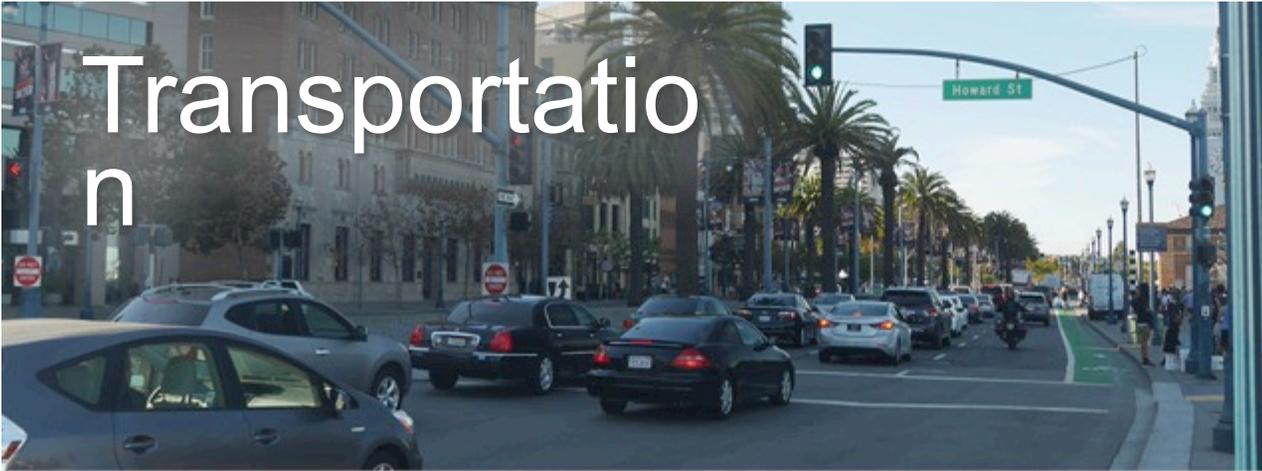

**2 new waterfront neighborhoods**

planned

**NEXT STEP:**  
Update the  
Waterfront Plan  
– invite BCDC  
and State Lands  
to participate

# Transportation

# Environmental Protection and Sustainability

Fill removal - 8 acres since 1997

Shorepower at Pier 27 and Pier 70

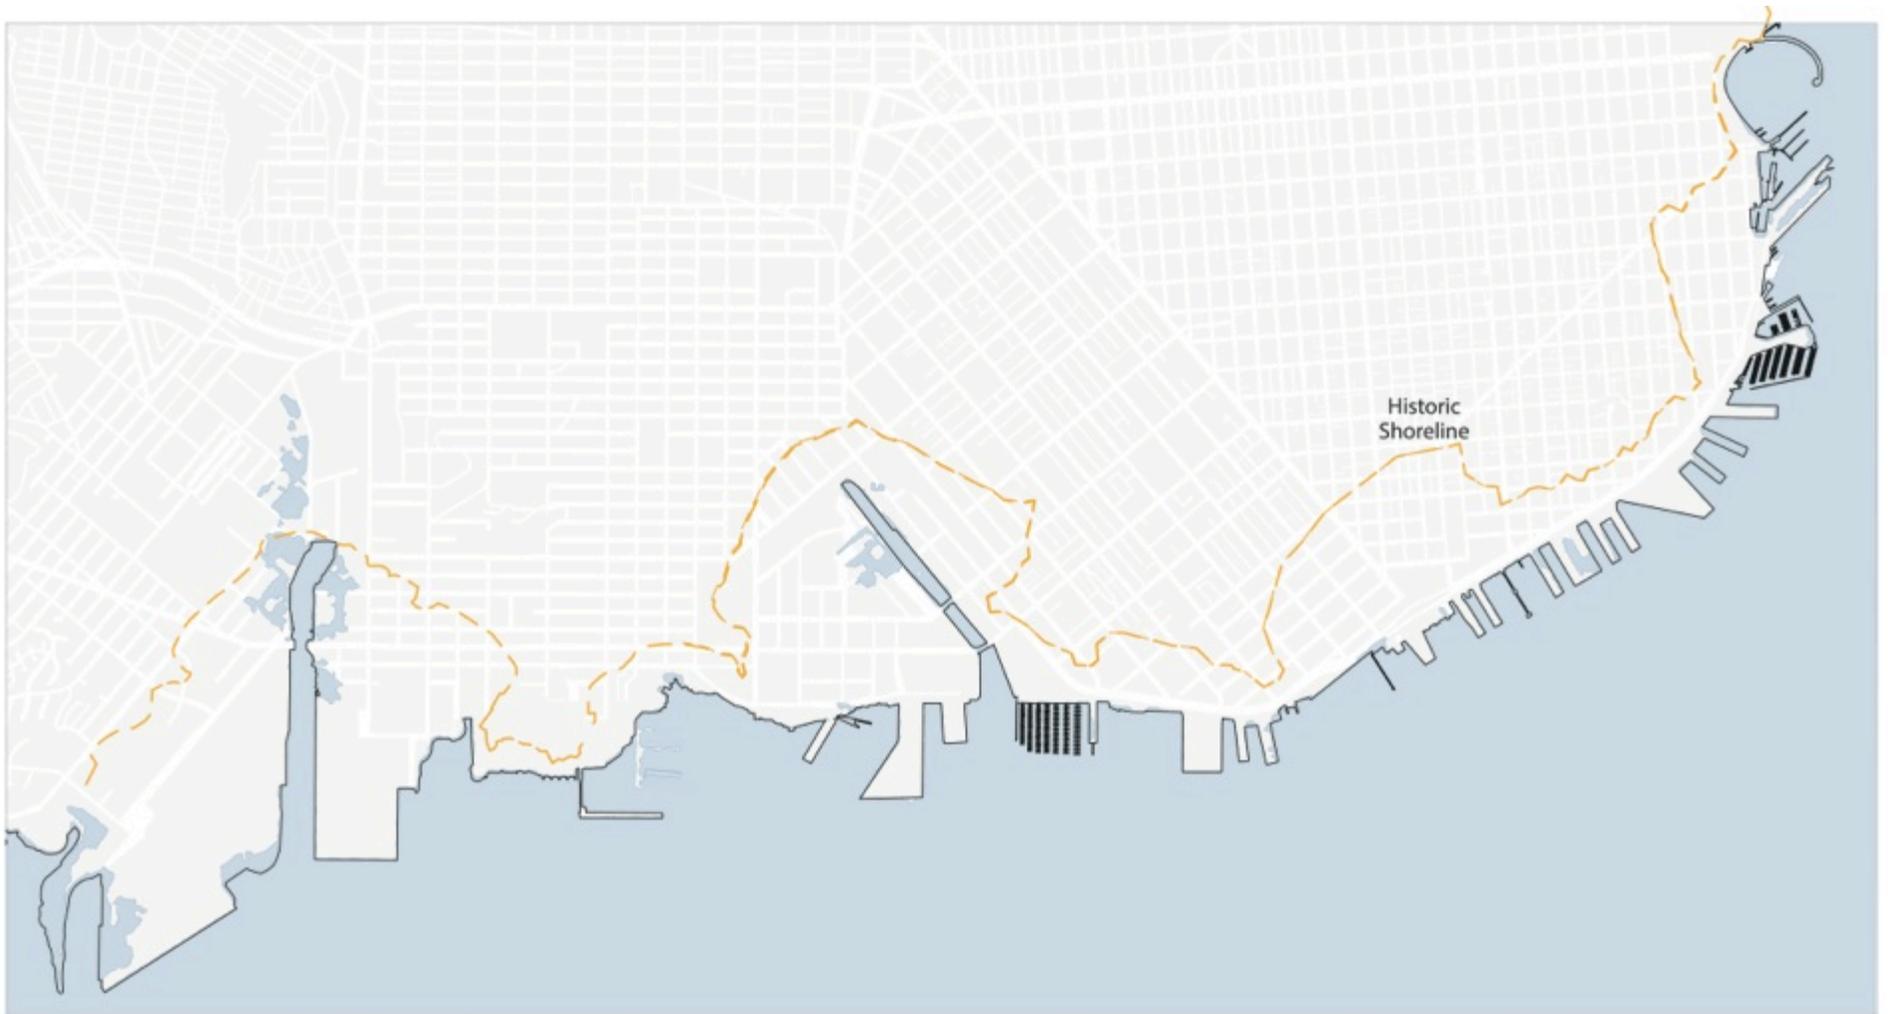

Habitat enhancement  
Under-pier utilities

# TWO NEW NEIGHBORHOODS: Pier 70

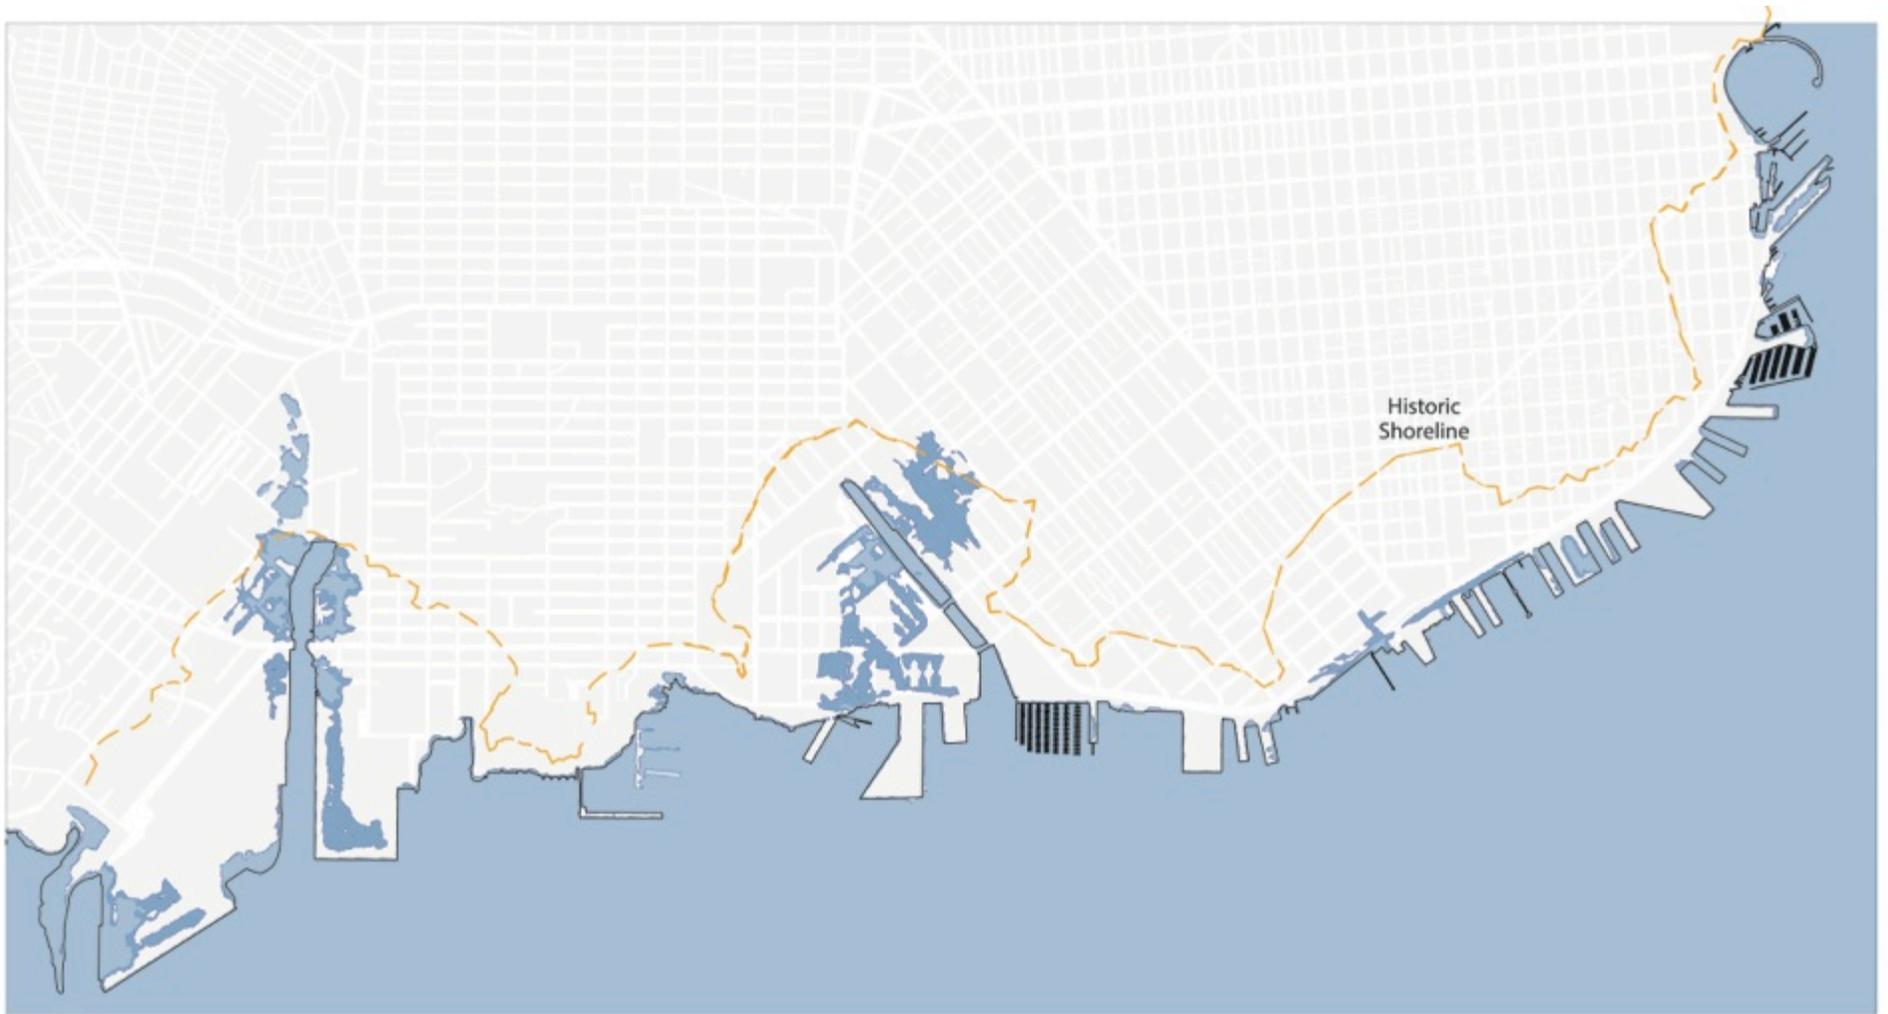

# TWO NEW NEIGHBORHOODS: Mission Rock

**SEA LEVEL RISE: Current Exposure –  
Base Flood**

**SEA LEVEL RISE: 12" + Base Flood**

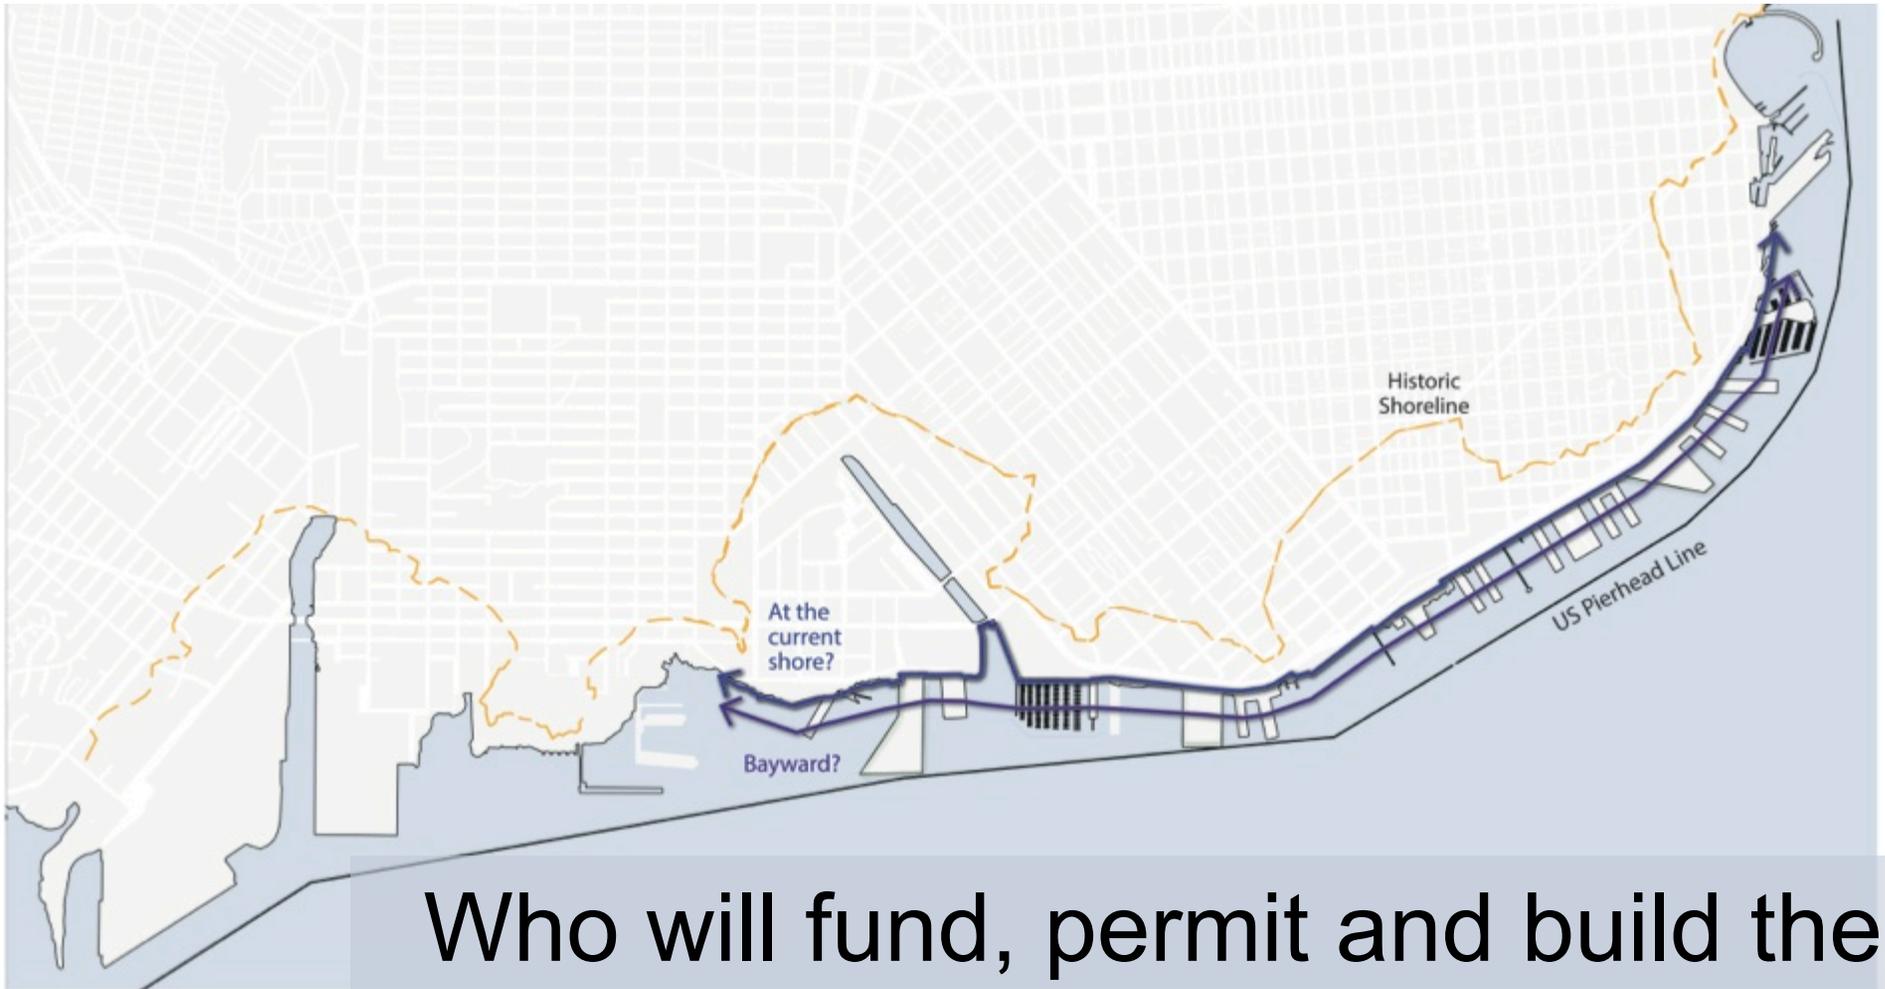

# Living with water?

**SEA LEVEL RISE: 36" + Base Flood**

# Where is the line of defense?

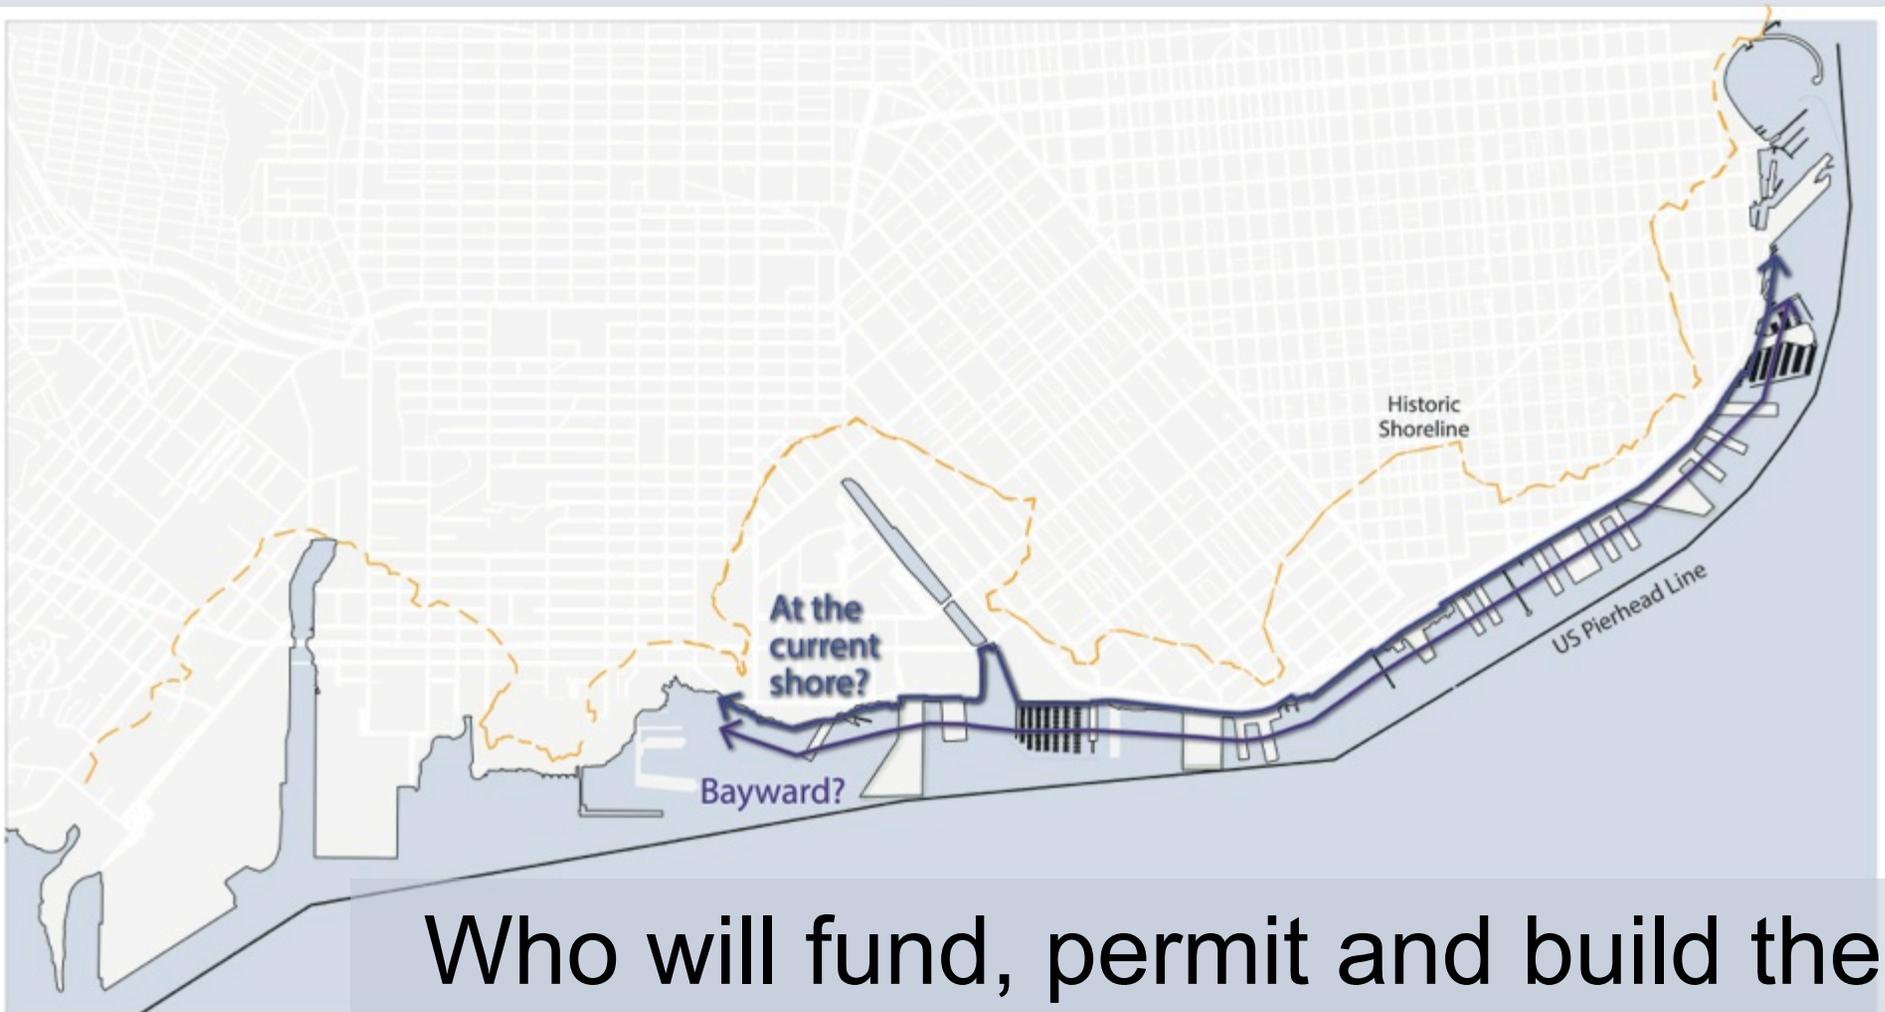

Who will fund, permit and build the line of defense?

US Army Corps  
of Engineers.
