

Friends of Westpoint Harbor

Recipient: CALIFORNIA STATE AUDITOR, Jerry Hill, Kevin Mullin, California 22nd District Assemblyman, BCDC Chairman R. Zachary Wasserman

Letter: Greetings,

Stop the BCDC shakedown of Westpoint Harbor marina.

We petition your help to dismiss ALL BCDC allegations and proposed fines against Westpoint Harbor; help the California legislature and State Auditor to investigate the activities of BCDC enforcement actions and sky-high fines; support the rights of equal access to the Bay for ALL relevant water-oriented recreation groups; and enlist an independent, fair, objective and knowledgeable agency to review this case, and shine a light on this aberrant behavior.

Gale Schulke	South San Francisco, CA	2018-01-13	I am a boater and what they are doing to this Marina owner is not right. He has gone out of his way to make this a beautiful, "Green" marina. It is an asset to San Francisco Bay.
Maggie Sabovich	Crockett, CA	2018-01-13	BCDC is running roughshod over recreational boat owners and those areas that are boat marinas for these boats.. It is ridiculous, when commercial vessels leak oil and fuel throughout the coastlines and private recreational boat owners are being pushed out by development that destroys the coast! They should be supporting small boat owners, not paving the way for developers!
Michelle Fox	San Francisco, CA	2018-01-13	This is a sanctuary out here, due to Mark's hard work. If the BCDC is truly trying to get rid of it to develop, there are plenty of other areas along the coast that need to be cleaned up, NOT Westpoint. We must stand up to this insanity!
Sonya Boggs	Redwood City, CA	2018-01-13	This short video, as told by founder and President Mark Sanders, reveals the gift--to boaters and non-boaters--that is now Westpoint Harbor. http://westpointharbor.com/2018/01/12/westpoint-harbor-brief-history/
John Daggett	Rowlett, TX	2018-01-13	Agency is operating without any oversight and needs to be audited.
Louis Adamo	Redwood City, CA	2018-01-13	I'm signing this because although the BCDC was formed for very good reasons, it is operating with gangster style tactics and without third party oversight. Moreover, it threatens the existence of harbor I've called home since 2011 with outlandish allegations.
Karen Gitter	Redwood City, CA	2018-01-13	I am signing this because although the BCDC was formed for very good reasons, it is operating with gangster style tactics and without third party oversight. Moreover, it threatens the existence of harbor I've called home since 2011 with outlandish allegations.
w s	US	2018-01-13	its the correct response
Michelle O'Healy	Oakland, CA	2018-01-13	I am signing because while I support the stated goals of the BCDC, I cannot condone their current antics.
Christoph Schwieter	Braunschweig, Germany	2018-01-13	This is a beautiful harbor, which needs to be preserved.
Jill Clardy	Redwood City, CA	2018-01-13	The marina provides a valuable service to the mid peninsula and presents no environmental harm.
Paulina Ruijssenaars	Santa Cruz, CA	2018-01-13	A stunning place for all to enjoy!
Erica Williams	Woodstock, GA	2018-01-13	Frisco needs to keep his home!
Cynthia Shah-Khan	Charlotte, NC	2018-01-13	Michelle and Jason Fox!

Brenda Hattery	Washington, DC	2018-01-13	I support BCDC's goals but the intimidation and bullying behaviors of their enforcement staff have gone on for too long. This must stop.
Mike Bowen	US	2018-01-13	Knowing the details makes a difference. It is so hard to be successful while trying to hit a moving target. Seems just when resolutions are within reach requirements change. Success can only be achieved if all parties are of a mind set to reach it! And in this case mutual success is not in the future. Only by outsiders getting involved can success be reached. I support the marina and the desired independent investigation .
Beverly Adam	Campbell, CA	2018-01-13	The violations that are alleged to have taken place appear to be unfounded and an independent audit therefore should be done.
Kenyon Stewart	San Carlos, CA	2018-01-13	The BCDC are wasting our tax dollars attacking organizations with property along the SF Bay waterfront and the boating community that supports those organizations. They are a completely redundant agency with little to no oversight which has been cited in a number of court cases as being overzealous and frivolous in their enforcement actions.
Miranda Fry	US	2018-01-13	The BCDC is out of line
Richard Webber	US	2018-01-14	The BCDC has lost sight of its original goal and is now trying to raise funds by shaking down bay area marinas and other businesses. Their allegations and fines against Westpoint Harbor are egregious and vindictive. Government leaders need to get this commission back in line.
Glenna Mayo	San Jose, CA	2018-01-14	A little balance, please. This is pretty unreasonable.
Jeff Morgan	Cupertino, CA	2018-01-14	I'm signing because I have friends who live in this harbor and would be forced to move and possibly loose their living. I believe this is wrong
Pam Shehan	Hickory, NC	2018-01-14	My friend lives in the marina and LOVES it there!
gene ray	Escondido, CA	2018-01-14	This is unjust. Where is the accountant? Big corporations are tromping all over small businesses. I'd like to see someone follow the paper trail and find out why this company is being hounded.
Neal Doten	Redwood City, CA	2018-01-14	BCDC staff in fact has agreed most allegations are a result of errors in the permit and conflicts with other agencies, yet BCDC continues to press the same allegations, and refuse the permittee his right to appeal to the commission on multiple occasions. Arbitrate using an independent, third-party mediator who can fairly evaluate the claims on both sides and mediate a resolution.
Gregory Chamberlain	US	2018-01-14	From the appearance at this time it looks like the BCDC is not living up to their own directives. I see only a money raising scam not justice or consistency. It would appear that this organization has decided to look the other way in some cases and fine organizations in other cases. I would like to know why. Is this because they can fine one business with little to no political issues? A mark

			of any good organization is being honest, fair and consistent. A good organization promotes business growth and change for the Bay Area. I would hope the BCDC would promote these core competencies and values.
Deb Zuch	Kitchener, Ontario, Canada	2018-01-14	I'm all for fairness.
Randall Hilton	San Pedro, CA	2018-01-14	I am a liveaboard sailor who is appalled at the actions taken by the federal government against this responsible marina owner who obviously has the best interests of his tenants in mind as well as the environment. Stand up for what's right, PLEASE!
Tim Prouty	Sausalito, CA	2018-01-14	BCDC Staff has consistently overstepped their role and have made the agency into a political hammer and taken on personal and vindictive crusades. The Commissioners are being misguided by the staff and need to look into staff activities directly. This all began in the days of Forbes Island and continues on 30 years later.
Patricia Bechard	Kelowna, British Columbia, Canada	2018-01-14	An ecologically sound harbor should be saved as an example to the world that a clean, good living space is possible.
Bob Wilson	San Mateo, CA	2018-01-14	Well said Tim! Many thanks!!
Bob Wilson	San Mateo, CA	2018-01-14	Thanks Randall!
Bob Wilson	San Mateo, CA	2018-01-14	A great point! The staff is the issue not the goals.
Richard Aldridge	Redwood City, CA	2018-01-14	Get real jobs and stop fining people to guarantee the shit job you do now
Michael Moradzadeh	Belvedere Tiburon, CA	2018-01-14	This is a good and well-run harbor.
Carrie Lyle	Redwood City, CA	2018-01-14	Signed
Roxie Kellam	Oakland, CA	2018-01-14	This marina has excellent management. They adhere to environmental standards. Don't shut them down because of bureaucratic hooah.
Greg Reynolds	Walnut Creek, CA	2018-01-14	This marina needs a different unbiased review. BCDC needs oversight.

Robert Ruijssenaars	Carmichael, CA	2018-01-14	This harbor is beautiful and needs to be protected. The current management team is doing a great job of exactly that. The BCDC should step back and let the harbor's management team continue to thrive.

John Marshall	Laguna Beach, CA	2018-01-14	As President for Recreational Boaters of CA, I'm appalled that a public agency is egregiously overreaching their responsibilities, possibly destroying one of the most beautiful and ecologically sensitive marina developments in the South Bay. The actions of BCDC must be stopped.
Joseph Bayliss	Concord, CA	2018-01-14	This abuse of power has got to stop!
Katherine Ladd Pearson	Newport Beach, CA	2018-01-14	We need greater public access to environmentally responsible harbors like this one.
Friends of Westpoint Harbor	Redwood City, CA	2018-01-14	The BCDC has a great mission. Outdated enforcement mentality needs to end and all efforts should be focused on a culture that fosters compliance rather than fear of the BCDC Enforcement staff.

Efrat Berman	Redwood City, CA	2018-01-14	We need more lives boards now, not less. Land is way too expensive. Sea level rising. Water is the future living and now can be safe and clean.
Susan Giesel	Cincinnati, OH	2018-01-14	Usual heavy-handed, intrusive action of government. SanFrancisco is a wonderful city, but needs to find better ways to raise funds!

Allen Darnell	Redwood City, CA	2018-01-14	West point harbor should be saved from this. They have been doing a great job. And the agency attacking them is overstepping their bounds.
Mark Taylor	Vancouver, British Columbia, Canada	2018-01-14	Recreational Activities are flourishing in the region and the actions o the BCDC are onerous and unjustly punitive. We travel to the region regularly and love to paddle and enjoy the region. We hate to see actions taken that would harm the recreational tourism of the region.
Bonnie Malouf	Mountain View, CA	2018-01-14	Please look at this more carefully. There is more to be lost than won by shutting this down.
Kelly Egan	Winchester, CA	2018-01-14	This is an important place to our family.

Theresa M Quinlan	US	2018-01-14	Westpoint Harbor is a beautiful intersection of land and bay. The wildlife is remarkable, as is the unique beauty of the sloughs. The harbor has done a great job of creating a place for bay lovers and hikers a like to enjoy one of the few such points in the south bay. It is a rare place where paddle boarders and kayakers can easily access the water. It is a south bay treasure - I've been bringing family and friends for years.
Steve Penna	redwood city, CA	2018-01-14	BCDC is unfair and needs to be stopped.
Barb Dienhart	San Francisco, CA	2018-01-14	This is so unfounded.
Nan Kreeger	Brentwood, CA	2018-01-14	I support Westpoint Harbor! Back off BCDC!!
Chris Becerra	Watsonville, CA	2018-01-14	This wonderful harbor shouldn't be sued. It's wrong 💎
William Burdette	Inverness, CA	2018-01-14	The BCDC is a savage and unwelcome watchdog among us bay dwellers . The commission needs to be diassembled and banned from any formof reconstitution. Destroying Mr. Sanders' beautiful marina is an asinine and foul attack based on overwrought and misunderstood public policy.We are here because the bay is here. We must use the bay as a key component to our civilization. I sincerely call for the dissolution of the BCDC and complete retraction of all their corrupt and unfounded levies, fines, and indictments.It is time for an elected governing board that reflects the will of The People and the best protection for our precious environment .
Howard Lilley	Wahroonga, Australia	2018-01-14	This marina is not only a great and beautiful design but it provides an extremely practical facility that is long overdue for boat owners.
Jerry Simons	San Mateo, CA	2018-01-14	I want free access for ALL watercraft and water activities from Westpoint Harbor. I also want to see this Commission have State oversight.

Frank Rush	Birmingham, AL	2018-01-15	The Marina has been a dedication of love and personal interest to assure that those who come and use all of the amenities are satisfied. Further management has gone over and above any and all local, State and Federal requirements assuring the environment remains as before and improves.A testament to the personal involvement and interest of Mark Sanders and his staff!
Michael Slater	Watsonville, CA	2018-01-15	Grew up in the South BayIt's important to be able to get to it
Gerald A Hunt	US	2018-01-15	Mark Sanders has dedicated a lot of thought into what is needed at the Westpoint Marina, not only for boaters but for the surrounding citizens who enjoy the harbor atmosphere, marine heritage, and the shorebirds and wildlife. The BCDC organization has lost sight of what is relevant here. They need to back off, apologize and let the Marina proceed as has been approved by all the other government agencies.
Jim Schiller	Oakland, CA	2018-01-15	Reasons
Sabrina Brennan	Moss Beach, CA	2018-01-15	Please prioritize public access to marinas and harbors in the Bay Area.
Rick Bishop	Tracy, CA	2018-01-15	I support what Westpoint Harbor has done to allow boating in the South Bay.Many marinas in the South Bay have closed for various reasons in the past 30 years and Mark has been the only marina owner to reverse the trend.
Angela Zucker	Point Arena, CA	2018-01-15	I would like Westpoint Marina to continue to thrive. It is teeming with life and open to everyone. The enforcement process seems to be highly subjective and favoring the Commission. I would like to see a fair and balanced mediation instead.
John Zucker	Point Arena, CA	2018-01-15	The dispute between Westpoint Harbor and BCDC should never have reached this level of animosity. My view is Mark Sanders is a very reasonable person who always tries to do the right thing. After reading BCDC's complaint and Mark's response, I can only conclude there is a highly dysfunctional element in the permit enforcement process. I would like to see an independent review to resolve the issues and sanction those who are responsible for creating this mess.
Gilles Combrisson	Richmond, CA	2018-01-15	BCDC is out of control. I've met Mark and work in that marina often. There's got to be another way to resolve problems that doesn't involve fining people into bankruptcy.
Andrew Jones	San Francisco, CA	2018-01-15	Please don't destroy a good thing!
Dick Coomes	Lexington, KY	2018-01-15	From around 1966 I made frequent trips to Redwood City. The Bay area in the RWC area with the salt operations, etc. were far from being attractive or environmentally sound. The development of Westpoint Harbor has fostered major improvements for the environment and public use. Having known Mark Sanders for 50 years, I'm confident of his dedication to preserve the quality of the area environment and improve recreational use of a wonderful area in a responsible way.

Paula Bozinovich	Lincoln, CA	2018-01-15	The BCDC has clearly overstepped their boundaries and charter. They are not in compliance with their charter and are not operating in an honest and meaningful manner. Its time we demanded these public agencies work for the public they were created to support, and not their own hidden agenda.

Rainer Richter	San Jose, US	2018-01-15	I consider myself an environmentalist and am a long time supporter of many groups, Sierra club, POST etc. As such I am confused by the BCDC actions as they do not seem focused on substantive issues with real impact on the environment. For example there are alleged issues with offsets to the salt pond. Really? It's a SALT POND! The real issue is the absence of marshland and natural environment. It's important for environmental agencies to maintain credibility in public opinion, and common sense, else they undermine the entire movement and put at risk the real progress which is urgently needed. Please BCDC staff, let's work together to implement practical beneficial solutions. Fines and narrow interpretations or arcane statutes are not the answer.

Greg Trybull	California	2018-01-15	Perhaps it is time to find a more appropriate use of the 8.06 million budgeted for the BCDC (in 2016-17). The BCDC appears to be unresponsive, and completely out of touch with reality.

hans spanjaart	San Jose, CA	2018-01-16	For years I've eagerly been looking at the progress made to establish the Westpoint Marina, and am very happy that it is finally there. The bay offers so much for boaters and other water recreation, as long as we have access to it through a marina, boat ramp, etc. I'm also very much looking forward to having a place to have my boat maintained and hauled out, once the boatyard is completed.
Ammon Riordan	US	2018-01-16	Beautiful marina with a great owner. Mark Sanders takes pride in what he has built and keeps the cleanest marina I have seen.
michelle lutke	Vancouver, U.S. Outlying Islands	2018-01-16	Abuse of power must be stopped!!
Capt Grail	United States, CA	2018-01-16	Protecting the Bay is a good goal but BCDC seems to have a different agenda. As a long time bay area boater I can say without a doubt Westpoint is the highest quality, most environmentally sensitive and well maintained marina available in the SFbay. Why does BCDC want to penalize it with heavy handed, totally subjective and egregious "enforcement" policies? This action is irresponsible, doesn't support the needs of the people and seems more like targeted extortion of a private business than anything. Incidentally, the money collected from fines no longer goes to the states general fund so I assume whats collected goes straight into your organization? That, in itself, is a major conflict of interest. Stop this unnecessary action and start working in earnest with the owner!
Robert Musor	Danville, CA	2018-01-16	I firmly support the Westport Marina. The BCDC is wrong here.
Medea Isphording	Hillsborough, CA	2018-01-16	Westpoint Harbor is a jewel that enhances the Peninsula and deserves support rather than assault. I am proud to add my name to this petition.
Andrew Bleier	San Diego, CA	2018-01-16	Mark Sanders has done a tremendous job revitalizing this space, creating a world class facility and kept the environment at the forefront of his decision making. He deserves praise not this headache for his efforts.
Kayla Pegues	Mount Vernon, WA	2018-01-16	I believe this marina is doing everything it can to protect the bay.
Charles Zint	Phoenix, AZ	2018-01-16	I'm from Arizona, but love sailing the Bay. I've followed this issue and find all the BCDC activities to be absolutely government gone mad. Common sense needs to prevail. All the time, effort and money being spent on litigation could be much better spent on positive contributions to the bay and boating and other recreational opportunities.

Donna Steffens	Berkeley, CA	2018-01-16	I only have the highest regard for Mark and how he runs WESTPOINT. He is trustworthy and with impeccable integrity.
Gail Giacomini	Novato, CA	2018-01-16	As a boater who loves SF Bay, one of the premier sailing sites on the West Coast, we need more Marinas with access to the Bay, especially one that has taken a waste area and made it into a clean harbor!
Wendy Weickert	Alexandria, MN	2018-01-16	I'm signing because my mom lives there and would hate to see this happen
Wallace Griswold	US	2018-01-16	This is a great project and it is time to get control of BCDC.
Christine Weaver	Tiburon, CA	2018-01-17	Westpoint Harbor is an excellent, clean facility and is being unfairly targeted.
Janet Makinen	Dade City, FL	2018-01-17	I'm signing this because the government needs to keeps it's nose out of things! The old saying IF IT'S NOT BROKEN DON'T FIX IT!!!!
Bruce Sinclair	Bethlehem, PA	2018-01-17	I'm signing because it is clear that's BCDC has exceeded its mandate
Anne Thomas	Gardnerville, NV	2018-01-17	This marina is a model of responsibility. We need more like this
Jeff Olmstead	Sunnyvale, CA	2018-01-17	My wife and I sailed into Westpoint Marina a couple of times and found it a clean and pleasant place.
Christopher Warner	Bend, OR	2018-01-17	Frustrated by an agency that is running on ego not its mission
Martin Fay	San Francisco, CA	2018-01-17	Sanders worked tirelessly in the light of day to produce WPH. He is a fabled tale that we followed for years in the pages of L38. think BCDC is being heavyhanded, spiteful and punitive. In my opinion BCDC is acting against the best interests of the boating community.
William Crowley	Napa, CA	2018-01-17	I believe the Westpoint facility is a benefit to the South Bay - not a detriment.
Kenneth Tobin	San Jose, CA	2018-01-17	I've met Mark Sanders several times around 9 years ago when he was starting to admit boats to Westpoint Harbor. He was very concerned about meeting environmental standards and wouldn't even allow charcoal grills to be used in the marina. Hard for me to believe that the current bureaucrats in the BCDC are doing anything more than trying to show everyone how important they are and that they can do whatever they want and believe because there is no oversight they can get away with it. For many the option of having to take them to court, even when BCDC is blatantly wrong, could

			lead to financial suicide so even if you win you lose. I'm sure the bureaucrats in the BCDC are aware of that too.
John Pulliam	Palmyra, VA	2018-01-17	It is a prime example of what my grandmother called "STINKING THINKING"! Way to go california, way to go.
Murray Mitchell	Dublin, Ireland	2018-01-17	We don't all want to live in a big box.
Patrick King	Houston, TX	2018-01-17	That is the cleanest harbor i have ever seen. The place is beautiful. This is the case of an organization with no oversight. The organization, built for a good purpose, is owing to destroy itself through reckless action, like this.
Peter Aschwanden	Alameda, CA	2018-01-17	The hard handed vindictive buerocratic approach of the BCDC should not go unpunished.
Catherine Miskow	San Mateo, CA	2018-01-17	There aren't enough marinas in the South Bay to House large boats. It would be a blow to San Mateo County 's economy if we lose this revenue, as the only other large boat marinas are in San Francisco.
Ken Wright	Suisun, CA	2018-01-17	It is unfair
Todd Huss	San Francisco, CA	2018-01-17	As a sailor I generally applaud BCDC for protecting the bay habitat and environment but they have gone too far here. They are neither protecting the bay nor our community through their frivolous actions against Westpoint Harbor. Shame on BCDC for losing sight of their mission!
Samuel Medina	Bathurst, Canada	2018-01-17	This is madness! Fining them for allowing the POLICE to harbor there? Looks like someone's being paid by developers to bankrupt this marina.
Mark Ostlund	South Jordan, UT	2018-01-18	I sail the San Francisco Bay. Mark Sanders and the harbor he built to enhance the bay are great assets that improve the health of the bay and quality of life in the bay area. They should be thanking him not punishing him.
Laurel Kaleda	San Jose, CA	2018-01-18	Westpoint Harbor is a good, valuable addition to the Bay. It seems that BCDC has become an unsupervised agency hungry for power/control over individuals, companies and organizations. It's actions need to be reviewed for reasonability and rationality.
M E Sweatt	Medina, WA	2018-01-18	I support the Westpoint Harbor marina in Redwood City. Developed on a former industrial waste site, this valuable resource not only provides valuable space for the Redwood City Police and Fire Department boats, it provides the general public with valuable access to the waterfront that otherwise would have languished or been over developed in a commercial (and non accessible) capacity.
robbie lee	sacramento, CA	2018-01-18	i have read the violations and 500,000 is egregious.. maximum penalties do not serve a viable purpose and should be negotiated with the violator accordingly. thanks please consider to avoid putting this wonderful place out of business
Steven Green	UK	2018-01-18	As a former colleague of Mark's, I am very happy to support this petition. It sounds like madness to me and were I fortunate to live

alexandra feinstein	oakland, CA	2018-01-18	Saving people's homes!!!
Benjamin Ferran	Dallas, TX	2018-01-18	It seems to always be about money. However, when it's bullying via money, this represents the worst attributes of humanity. Stop this craziness.
Steve Clyburn	Redwood City, CA	2018-01-18	The serenity of this spot needs preservation not disturbance.
Jill Arias	Alabama	2018-01-18	BCDC's behavior is wrong and out of line! A complete misuse of power!!
Steven Green	UK	2018-01-18	As a former colleague of Mark's I am very happy to support this petition. It sounds like madness to me and were I fortunate to live in the Bay Area I would certainly wish to take advantage of such a great asset. Good luck Westpoint Harbour!
Steven Green	UK	2018-01-18	As a former colleague of Mark, I am very happy to support this petition. It sounds like madness what is going on, and were I fortunate to live in the Bay Area I would certainly wish to take advantage of such a great asset. Good luck Westpoint Harbour!
Michael Douglas	Novato, CA	2018-01-18	This is a marina facility that is needed on San Francisco Bay.
Sydney Reitenbach	San Francisco, CA	2018-01-18	I believe in the people supporting Westpoint Harbor
Liselotte Green	London, England, UK	2018-01-19	We need to encourage such projects !
MIMI Vadasz	Truckee, CA	2018-01-19	It is the right thing to do.
David Jackson	Palo Alto, CA	2018-01-19	Westpoint Harbor is a real asset to San Mateo County. The BCDC is short-sighted and, frankly, arrogant in its misguided attack this facility.
janice kellogg	san francisco, CA	2018-01-19	My friends I the boating community asked for my support.
Steve Schrier	Henley, UK	2018-01-19	Signed.
James Ladley	Forestville, CA	2018-01-19	Please fight the unelected bureaucrats who are destroying California
Wren Herring	Sausalito, CA	2018-01-19	This is a environmentally progressive Marina an asset to the future of the bay.
Theresa M Quinlan	US	2018-01-19	We moved our boat to Westpoint specifically because of how clean and environmentally sound it is.
Christopher Peters	Pwllheli, Wales; Cymru, UK	2018-01-19	There are too many quasi government organisations in the world who have lost the plot and no longer promote what the were first constituted to do

William Bell	New York, NY	2018-01-20	This sounds ridiculously inequitable!!!
Janet Hawkins	Rye, NY	2018-01-20	Because I care about both justice and the environment.
Carol Kearns	San Francisco, CA	2018-01-21	The BCDC is being highly unreasonable when Westpoint Harbor has done everything possible to comply and has won international acclaim for its environmental design.
Olivia White	Redwood City, CA	2018-01-22	Last week I was reading through the sailing book "Cruising the San Francisco Bay" and got to the chapter about Redwood City. In it were photos of all the many awful derelict boats littering the waterways around Westpoint Slough (before the harbor existed). I'm sure the BCDC commission knew nothing about those boats for years nor did anything to clean the waterways that they are now so focused on protecting. I am proud to know the good work Westpoint Harbor has done to improve the environment for both wildlife and the community in that area. Petition signed.
Catherine Siegel	Redwood City, CA	2018-01-22	Westpoint is a well run marina & was designed to be compatible with the bay's environment. The South Bay public needs this type of facility & it must not be shut down.
John Hamilton	San Jose, CA	2018-01-22	Public should be allowed to access the land around the marina but the rest rooms, showers and docks need to be for the marina tenants only. The marina made improvements to the shore and added restrooms. These are for the paying members. This is a necessary safety measure for protection of personal property and for the tenants.
John Corden	US	2018-01-22	BCDC is not only exhibiting a clear abuse of their power, but they are not working in the best interests of the SF Bay.
Candy Morganson	Incline Village, NV	2018-01-22	BCDC has morphed into something the original 4 founding women would not recognize. The State of California has no interest in reining them in just like they have failed to rein in the Tahoe Regional Planning Agency at Lake Tahoe which also abuses its authority with unreasonable requirements & fines. It might well be time for the BCDC to be abolished as they have far over-reached what they were originally founded for.
tim Roche	Oakland, CA	2018-01-23	The bay needs more safe and secure marinas.
Margo Roark	Richmond, CA	2018-01-23	I'm a sailboat owner, and I think ySF bay needs more marinas. The impressive efforts of Westpoint Harbor to create a truly green facility should be rewarded, not punished.
Bill Moore	La Habra, CA	2018-01-24	I have been following this travesty by way of Latitude 38 and the BCDC is making it up as they go. Shame on them.

Liz Schuler	Redwood City, CA	2018-02-02	I love Westpoint Harbor. It's a beautiful marina and community, and it's a shame that BCDC is trying to ruin it.
Stevetard Shagger	RSM, CA	2018-02-02	Unfounded allegations that show up AFTER a facility has been approved and constructed are typical of so-called environmentalists just to cause problems and get their names in the press!
Mary Helen Waldo	San Mateo, CA	2018-02-03	This is a beautiful, environmentally responsible, state do the art facility. Punitive and unwarranted harassment by this regulatory action need to be stooood and reversed immediately.
Bren Clark	Santa Clara, CA	2018-02-03	BCDC calls harboring the Redwood City police and fire boats an "illegal and unauthorized" use of the facility? Seriously? Are you the guys taking a knee during the National Anthem? Have some respect. It's a good thing to have their presence in this harbor. When a governmental body has no oversight- things can go very wrong.

Babette Adkins	Stockton, CA	2018-02-12	From what I see, the BCDC is just trying to pay their personal expenses by fining organizations under their control, unacceptable!
George Waluzak	Plymouth, MI	2018-02-13	Doing the right thing is never out of touch!
Dave Tavares	Redwood City, CA	2018-02-14	WestPoint is my bay area home. It is a wonderful harbor with friendly people... a great community. I cant believe the issues that are being levied at the harbor.
Amy Tavares	Penn Valley, CA	2018-02-14	This harbor is clean, new, beautifully designed, a great example for modern day harbors, and Mark is a very responsible owner. Such a shame to hear that he and his harbor are being harassed like this.
Gwynn Tavares	Penn Valley, CA	2018-02-14	I did some research on BCDC's "alleged permit violations" for this harbor, I always like to know both sides of the story before I sign something. I am rather horrified by the unscrupulous actions of the BCDC, I hope that this will be the beginnings of revising this department. The accusations seem far from protecting the bay and the wild life and are more like personal, petty attacks, one of them being a fine on a non-existent fuel dock. The absurd list goes on.
Brian Johnson	Anacortes, WA	2018-02-17	This is a beautiful and we'll maintained facility, no reason that I can see to harrass this group.
Kevin Murray	Palo Alto, CA	2018-02-18	As both a past harbormaster and a former professional sailor, I have departed out of every marina on the San Francisco Bay. I can say without hesitation, West Point is the finest marina facility on the Bay. I am also an environmentalist. Here too, West Point has an amazing individual, berth to berth pump out station capability. Boaters in general are environmentalists - we want to share and enjoy the Bay for generations to come. And, we want and need a safe, professionally, and impeccably maintained marina. West Point Marina does just that. Last, more marina's provide choice and affordability. We have lost three marina's in the South Bay to the power of land development. BCDC needs to focus on increasing recreation on the Bay not looking the other way when real estate interests are afoot.
Neal Ushman	UK	2018-02-18	This is NOT about protecting the Bay. It is a vendetta by members of the staff. "West Point Marina is going to be a big and juicy case for you b/c Mark Sanders, the principal, doesn't think too highly of us. This is one of your top priorities." (22 July 2010 email between two members of the Enforcement staff)
Gloria Bell	Shingletown, CA	2018-02-19	Rae and Dean Wisdom
Ernie Williams	US	2018-02-26	I'm signing because this kind of "Enforcement" is way beyond the pale. We need to stop BCDC in its' tracks.
Bort Jones	Santa Fe, NM	2018-03-01	When is enough enough. Let's take California back and make it whats it's supposed to be. The nicest place on earth.

Friends of Westpoint Harbor

Recipient: CALIFORNIA STATE AUDITOR, Jerry Hill, Kevin Mullin, California 22nd District Assemblyman, BCDC Chairman R. Zachary Wasserman

Letter: Greetings,

Stop the BCDC shakedown of Westpoint Harbor marina.

We petition your help to dismiss ALL BCDC allegations and proposed fines against Westpoint Harbor; help the California legislature and State Auditor to investigate the activities of BCDC enforcement actions and sky-high fines; support the rights of equal access to the Bay for ALL relevant water-oriented recreation groups; and enlist an independent, fair, objective and knowledgeable agency to review this case, and shine a light on this aberrant behavior.
