Notice of Revised Date of Public Hearing

September 3, 2021

Rescheduled Hearing Concerning Proposed San Francisco Bay Plan Amendment No. 3-17 to Amend the San Francisco Waterfront Special Area Plan

On September 19, 2019, the San Francisco Bay Conservation and Development Commission voted to initiate an amendment to the *San Francisco Waterfront Special Area Plan*. The purpose of this amendment is to provide uniformity between the Commission's Special Area Plan, the Port of San Francisco's Waterfront Plan, and the City and County of San Francisco's General Plan and Zoning Map. The initial descriptive notice adopted by the Commission set December 3, 2020, as the date for the public hearing on the proposed amendment. On November 20, 2020, a revised notice of public hearing was issued for September 16, 2021.

Notice is hereby given that a public hearing on the proposed amendment **will be held instead on October 20, 2022**. At least thirty days prior to the initial public hearing, the staff will prepare and mail a staff report and preliminary recommendation on the proposed amendment. Interested persons may request the staff report and present written comments. Oral comments may be presented at the Commission meeting or thereafter as directed by the Commission.

This **Notice** is provided in conformance with Section 66652 of the California Government Code and Section 11004 of Title 14, Division 5 of the California Code of Regulations. If, after the public hearing, the Commission adopts an amendment to the *San Francisco Waterfront Special Area Plan* described in this notice and subsequent staff planning report and staff planning recommendation, such amendment will be processed as a program change of the Commission's federally approved coastal management program for San Francisco Bay. Any federal agency interested, therefore, should provide comment to the Commission.

Whether the Bay Plan should be amended as described above, and in what manner, will be the subject of the public hearing and Commission deliberations.

Further information concerning the proposed amendment can be obtained by contacting Yuriko Jewett at the Commission's office located at 375 Beale Street, Suite 510, San Francisco, CA, 94105, by telephone at (415) 352-3616, or by email at yuriko.jewett@bcdc.ca.gov.
