Subject: FW: BCDC Virtual Enforcement Committee Meeting Notice, Wednesday, December 16, 2020 - Richardson Bay

This action by the BCDC on Richardson Bay will have impact on the entire Bay Area.

As boats are forced to leave Richardson Bay, they will create enforcement challenges in other areas of SF Bay.

There needs to be significant criminal consequences and/or fines to create an effective deterrent.

Local jurisdictions do not have the capability or resources to tow and impound illegal anchor-outs.

There needs to be a regional approach to this problem.

Otherwise we end up playing whack a mole.
