- **In a tributary river, creek or slough of the San Francisco Bay**

Address of the Alleged Violation

1761 Sonoma Blvd. Vallejo, ca

Location of the Alleged Violation

Lat: 38.10095 Lon: -122.25495

County

Solano

Description of the Alleged Violation

I'm not really sure if this area is considered part of the White Slough in Vallejo, but it is a seasonal wetland just across Highway 29 from White Slough. Closest address would be 1761 Sonoma Blvd. As of October, someone is sending dump trucks full of fill dirt to fill in this low lying area. There is quite a bit of fill there already. Just thought you should know in case you have jurisdiction there.

When did you first observe the Alleged Violation?

Oct 15, 2019

Suspected Duration or Frequency of Violation

Constant

Do you know who the Responsible Party is?

No

Do you know who the Responsible Party's Representative is?

No
